Let Us Know What You Think!

Would you or any of your student's parents be interested in attending a "Spelling Workshop for Parents?"

During this one hour workshop sample spelling lists will be examined and helpful strategies will be shared with parents on 'how to help your child learn their spelling words' this week...but even better...how to apply spelling skills to daily spelling, not just the spelling test.

Depending on the feedback and amount interest we receive we could hold this workshop sometime in September and the cost would be \$10 for individuals and \$15 for parent teams. Let us know what you and your student's parents think!
