

Music and Movement

Length: Approx 30 minutes

Cost: Call for pricing options

This workshop will involve the children in moving creatively through music. Props such as scarves, streamers, visuals, and books will be used. Each child will be encouraged to dance, sing, and of course have FUN!

“Music on the Move” workshops will come to your facility to provide musical experiences for kids of all ages.

Music and Rhythm

Length: Approx 30 minutes

Cost: Call for pricing options

This workshop will involve the children in learning about different types of rhythm instruments. After learning the names and how the instruments are played, the children will be given the opportunity to play the instruments with songs, both familiar and unfamiliar.

The Instructor

Amber Cook, MT-BC
(and her guitar too!)

Music and Learning

Length: Approx 30 minutes

Cost: Call for pricing options

This workshop will give children an opportunity to learn a variety of songs and activities. If you are studying a particular theme, feel free to ask the instructor if she is able to bring activities that correspond to that theme. Each child will be encouraged to sing, dance, and maybe even learn a little sign language.

- Board-Certified Music Therapist
- Graduated from Wartburg College in Waverly, Iowa with a Bachelor of Music Education Degree and a major in Music Therapy
- Worked as a preschool teacher for 4 years.
- Has classroom experience as a music teacher through substitute teaching and private guitar and piano lessons.

****Please let us know the age and size of group when you call****

Music on the Move
